INTRODUCTION (Main section headings - Bold Capitals, Arial, 12 point)

This is an example of abstracts for FCE2020. Use a one-column format in A4 paper (210 × 297mm). Dimensions for the paper are specified as follows: **Side, Top, and Bottom margins are 25 mm**. There should be **no page numbers** on the manuscript.

Sampling procedures (Sub-section heading – Bold, Arial, 12 point)

Abstracts will be one to a maximum of two pages in total length, including text (maximum 400 words), figures, tables, and references. It must contain the informative information to make it attractive to readers and participants.

Author names and affiliations are to be on the left (justified) beneath the title and printed in Arial 12 point. PLEASE underline the name to indicate the author presenting the paper. Specify the corresponding author using asterisk (*), and add his/her E-mail address after the affiliations.

All manuscripts must be single-spaced, in the specified one-column format. The recommended font style is Arial, and the font size should be 12 point.

All references within the text should be numbered by the order of appearance with the numbers followed by square brackets as shown at the end of this sentence [1].

KEYWORDS: please provide 3-5 keywords

REFERENCES (Maximum 5 references - At the end of the manuscript, typed in Arial, 10 point)
